

WWW.FILM-SERVICE.NO

Norway has a lot to offer filmmakers searching for unspoiled and breathtaking locations.

Norwegian Film Service (NFS) offers top class production services and facilities to foreign companies choosing to film in Norway.

NFS is based in Oslo, not far from the international airport. We have more than 20 years experience in film making and we can offer all the services needed to complete your film.

NFS capacitates any production service task needed, such as:

- Location scouting and management
- Equipment rental
- Work permits
- Securing all official and government permits
- Accommodation arrangements
- Talent casting
- Crew hire
- Contracts
- Studio hire
- Flight bookings
- All domestic transportation
- Security
- Set construction
- Stunt co-ordination
- Special effects
- Specialised rigs
- Vehicle hire
- On set catering
- Film stock
- Processing
- Post production
- Insurance

Furthermore we provide reliable access to the best professional networks, talent and logistical facilities required for project completion.
